

The Course

Course Par Value: 72

Course Yardage: 7088

This Arnold Palmer designed golf course opened in 1992 and is a blend of raw wildness of the original links courses in the British Isles; the serenity and stately majesty of course in the Carolinas; and the indescribable beauty of the natural Hawaiian scenery on Oahu's North Shore.

"The Links" surrounds the Punahoolapa Marsh, a 100 acre wetland preserve which winds its way through the course as a unique and beautiful water hazard - home to many species of endangered Hawaiian waterfowl.

Tournament record: 195 -- Jim Colbert (1991), Bob Murphy (1994)

Course record: 67 -- Dick Lotz, Terry Mauney, Mike McCullough, Howard Twitty (all 2001).
