

**NORTH SHORE, OAHU, HI (2005)** -- The recently renovated Turtle Bay Resort announces its 2005 North Shore Family Adventure package.

Turtle Bay Resort is the only full-scale resort on Oahu's exciting North Shore, home of world-famous surfing, remote coastlines and fun activities for the entire family.

After a \$60 million renovation, Turtle Bay now has something to entertain every age category: golf and tennis, spa treatments, horseback riding, a heated family pool with a slide, a shallow keiki (child) pool, and 12 miles of walking and exploring trails along spectacular coastlines and through forested lands.

In addition, the Resort is home to the famous Hans Hedemann Surf School where kids of any age can get a taste of the world's best surf. Bragging rights for every family member come as a part of the North Shore Family Adventure Package.

Included in the package is the Turtle Bay "Keiki Club," the resort's program for children from five to 14. The Keiki Club offers reef walks, Hawaiian arts and crafts, trail walks, traditional coastline fishing with a bamboo pole, turtle watching, crab hunts and beach volleyball -- all topped with a bonfire at the resort's Sand Bar snack bar with marshmallows and storytelling. An unforgettable experience will be the hayrides with Tom and Jerry, the resort's two Belgian draft horses who gained their fame "starring" in the Kevin Costner film, Open Range. For those nine years and older, horseback rides are also offered. Activities vary daily and are subject to change.

Valid from Jan. 1 to Dec. 20, the resort's Family Package offers the following:

- Four nights in an oceanfront premium room.
- Daily breakfast for two adults and two children.
- One minivan rental (subject to taxes and optional items).
- Children may choose one Keiki Club activity, round of golf, or surf lesson.
- The package, for two adults and two children, is \$1,956.

Price does not include airfare, resort fee, room tax, incidentals or gratuities. Price is subject to change without notice. Room upgrades to deluxe and suite categories are available.

Located on the North Shore of Oahu, the 880-acre Turtle Bay Resort recently completed \$60 million in renovations. Managed by Benchmark Hospitality International, the resort's accommodations include a 401-room hotel and The Beach Cottages at Turtle Bay Resort, 42 luxurious, beachfront cottages.

The resort has five miles of beachfront that include Kawela Bay, Kuilima Cove and Turtle Bay. It is the only resort on Oahu with 36 holes of championship golf: the George Fazio and Arnold Palmer courses. In addition to world class golf, Turtle Bay Resort is rich in other recreation and resort amenities, including an exquisite new spa, pedal or power bike rentals, a full-service tennis center by Peter Burwash International, and North Shore and waterfall aerial tours.
