To benefit the Kahuku Library Book Mobile Project**

NORTH SHORE, OAHU, HI (November 18, 2005)—Turtle Bay Resort’s first annual Seafood Festival raised \$11,424 to benefit the Kahuku Library Book Mobile Project. The two day event was held on Friday, November 18th with the “Battle of the North Shore Shrimp Trucks” and continued on to Saturday, November 19th with the “Grand Seafood Invitational”.

The money raised from both events, as well as the sales from the Silent Auction which included Jack Johnson’s guitars and ukuleles will go towards the purchase and operation of a book mobile servicing Oahu ’s North Shore schools from Kaa’awa to Sunset Beach .

“I am amazed that the two events could draw \$11,055.” says Fran Corcoran, Director of Kahuku Public and School Library. “You have taken a dream and brought it much closer to reality. For this we thank you”.
