## 5. Essay Question

On a separate sheet of paper, please type a response to the following topic. **Please limit your essay to one, double-spaced page with a standard font of 11 point. At the top of the page please list your name.**

Turtle Bay Culture is described by our Values. Our values are pure, simple and resonate with employees and guests.

The six Turtle Bay values (Malama, Hanai, Aloha, Manawa, Pono, Kama’aina) are represented by six glyphs. Each glyph, each value, stands alone but they are also interconnected. When placed together, they tell a story that is more than the sum of its parts. You’ll find it’s not hard to make decisions, both personal and professional, when you know what your values are. (Below are the Turtle Bay Values)

**Essay: Choose two of these values and discuss what they mean to you and how they will help you through your college journey.**
