

First there was *Surfer* the magazine.
Now there's **Surfer the bar.**

A stage for Hawaiian musicianship. A soapbox for talkstory.
A screening room for big wave film and photography.
A podium for awards and recognition. A studio for webcasting
some of surfing's biggest pro events. That plus coolers full of
favorite local beers and a kitchen cranking out sometimes
crunchy, frequently spicy and always tasty bar snacks.

— THE ULTIMATE COMFORT FOOD.
